Eleven special foreign languages taught at HUFS selected in the first Critical Foreign Language Education Promotion Project in 2018.

- According to the Act on the Promotion of Education of Critical Foreign Languages and its Enforcement Decree, HUFS is designated as a specialized educational institution for critical foreign languages for these 11 languages.
- With government's financial support, HUFS offers students complete infrastructure for education and develops them as professionals of the kind needed today and in the future.

Honors Program

- Fostering Strategic Area Specialists

- Fostering strategic area specialists equipped with language skills and knowledge
- Helping students seek jobs at local government organizations and companies after engaging in language training and internships abroad

IDS (International Diplomatic Scholarship)

- Cultivation of International Students into Specialists

- Nurturing high-caliber international students recommended by the embassies of their countries in Korea
- Designed to foster talented students into pro-Korea specialists with expertise on Korea

Special

Unique to HUFS
